Cannonball Run trip to NT up for grabs

A NUMBER of exhibitors at Office Expo run competitions from their exhibit stands offering visitors the chance to win exciting prizes.

Toshiba, for example, is tying a competition to its current Lotus Esprit Turbo Northern Territory Cannonball Run promotion.

Visitors should look for the Lotus which will be displayed in front of the Toshiba stand and drop their business card into the entry box — it could win them a trip to the Cannonball Run with the Toshiba support team.

This encompasses a trip for one person from Canberra to Darwin and return by air; coach from Darwin to Ayers Rock and return, accommodation en route included. The coach is the chartered supporters vehicle for the Toshiba/Cannonball entry.

Second and third prizes of a Hitachi AM/FM stereo cassette player and a Sony AM/FM cassette Walkman make it well worth while to be in the running. (Competition permit no: TP94/0053).

Magiboards, a leader in visual communication products, is holding an on-stand competition which enables participants to win an Image 352S overhead projector and an image heavy duty wall-mounted projection screen audio visual package.

Valued at \$750, it would provide a sophisticated presentation vehicle in any working environment.
